

# NORTHERN PLUMBING SUPPLY

Part# 242 toilet replacement seal

The Fluidmaster Replacement Seal for Model #400A Toilet Fill Valves is a great way to repair a Fluidmaster 400A toilet fill valve without needing to purchase a new fill valve. The seal can also be used with the Home Depot-exclusive Whisper series of fill valves.

- *Durable rubber construction*
- *Replaces the seal on Fluidmaster model #400A fill valves without needing to replace the entire fill valve*
- *Extends the life of the toilet fill valve*
- *Easy to repair*
