

NORTHERN PLUMBING SUPPLY

Dishwasher Water Supply Connectors

Fluidmaster dishwasher water supply connectors are built to last. Made of a tough polymer core covered with braided stainless steel wire, these connectors exceed every code requirement in the book for durability. They also have a large inside diameter for higher flow capacity. The new kits also come with a hose fitting that works on all the new dishwashers.

- Includes dishwasher elbow(s)
- Exceptional flexibility for fast, easy installation.
- Wont kink or crease, even in the tightest of spaces
- Heavy-duty brass hex nuts are easy to grip and nickel plated for durability
- Exceeds all code requirements for flexible water connectors
