

# NORTHERN PLUMBING SUPPLY

Part# **PRO58** universal 3" adjustable toilet flapper

Tired of carrying a flapper for every 3" toilet on the market? Then get the PRO58 Universal 3" Adjustable Flapper. PRO58 adjusts to fit any 3" toilet on the market in just three easy adjustments. The included guide tells you exactly what setting you need for the most popular toilets. And the silicone seal will last up to 10 times longer than a regular flapper. Introduced in 2014, the PRO58 Universal Adjustable Toilet Flapper is best for use in 1.6 gallons per flush toilets made since 1994. The PRO58 is adjustable for optimum performance, chlorine resistant, and has a solid frame for ultimate reliability. Flappers with a solid frame do not twist and provide the best seal. Replace or fix your toilet flapper with a Fluidmaster toilet flapper.

- Best for 1.6 GPF toilets
- Adjustable for Maximum Performance and Water Savings
- Chlorine and hard water resistant
- Solid frame for Ultimate Reliability
- Easy to install
- 10-year warranty
