Part# PRO61 chrome tank lever

It doesn't matter how good a toilet is. If the tank lever doesn't work right, the toilet won't flush. Use a PRO61 tank lever to make sure your customer doesn't have to worry about that. The arm can be bent or trimmed to fit just about any tank. And its chrome finish will look good in just about any bathroom.

- Chrome finish handle
- Trims/bends to fit most front, side and angle mount tanks
- Easy to Install
- 1-year warranty
