

NORTHERN PLUMBING SUPPLY

Pro Series Toilet Water Supply Connectors

Pro**

No other connector on the market comes close to the toughness of a Fluidmaster PRO Series connector. Made of a tough polymer core encased in braided stainless steel wire, these connectors go above and beyond what's required by code. Backed by a 10-year warranty, these connectors are only found where other PRO Series products are sold.

- 10-year warranty
- Braided stainless steel lengths range from 6" to 20"
- Won't kink or crease, even in the tightest of spaces
