

Recessed Shelf

Shelf is ideal for ligature resistant applications as it presents no possibility of being used as a suicide device. Shelf is tall enough to hold an item normally used in conjunction with a lavatory. Fixture is arranged to be installed on a finished wall from the front. Recessed Shelf is constructed of 16 gage, type 304 stainless steel with exposed surfaces powder coated white or polished to a satin finish. Recessed shelf is furnished with 1/4"-20 UNC tamper-resistant screws for use with installer provided wall anchors.
