

### Product Information

|   |                               |
|---|-------------------------------|
| Applicable product:                             |                               |
| 3-hole sink                                     | K-5834-3                      |
| 4-hole sink                                     | K-5834-4                      |
| Fixture*:                                       |                               |
| Basin area                                      | 27" (68.6 cm) x 15" (38.1 cm) |
| Water depth                                     | 8" (20.3 cm)                  |
| Drain hole                                      | 3-5/8" (9.2 cm) D.            |
| Faucet holes                                    | 1-3/8" (3.5 cm) D.            |
| * Approximate measurements for comparison only. |                               |
| Recommended accessories:                        |                               |
| P-Trap  | K-9000                        |
| Optional accessories:                           |                               |
| Polyethylene cutting board                      | K-5836                        |
| Bottom basin rack                               | K-6517                        |
| Metal frame                                     | K-6599                        |
| Duostrainer® sink strainer                      | K-8801                        |

### Installation Notes

Install this product according to the installation guide.

A metal frame is required for installation.

Fixture dimensions are nominal and conform to tolerances in ASME Standard A112.19.1M.
