Handshower kit shall be Kohler Model K-8487-\_\_\_\_\_.

## Installation Notes

Install this product according to the installation guide.

**IMPORTANT!** The sidebar must be mounted to stud framing at both the top and bottom mounting locations. Do not use or depend on plastic wall anchors to attach the sidebar.

Model includes handshower with vacuum breaker. Plumbing codes may require a vacuum breaker be installed in-line to handshowers. Consult with local plumbing codes.
