Benefits

Tempered glass offers maximum safety and durability.

Grip-Lock™ panel guide system locks the full width of the panel into the bottom track. Doors slide effortlessly, quietly.

Bottom track directs water back into tub and minimizes soap or lint build up.

Optional frame finish and panel pattern offer maximum versatility.

Choose from a convenient towel bar or low-profile handle attachments.

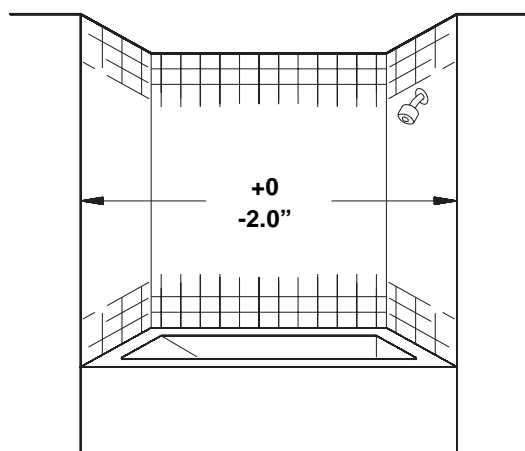

Convenient hook swings in for wet items; swings out for robe or towel.

Prevents fasteners from rusting or corroding in a damp environment.
