

NORTHERN PLUMBING SUPPLY

TX-504 Self-Lighting Hand Torch Swirl for MAP-Pro/LP Gas

TurboTorch® has developed a new series of hand torches that also feature Extreme Swirl Technology. The new Extreme series generates more heat than other hand torches for faster brazing times and less gas consumption. All Extreme series hand torches and tips feature TurboTorch swirl combustion. Higher heat levels, in a short amount of time, enable the pros to quickly complete the job.

- Extreme Swirl Technology
- Faster brazing times and less gas consumption
- Generates more heat than other hand torches
- Higher heat levels, in a short amount of time, enable the pros to quickly complete the job.

Included Features	Convenient self-lighting triggers Quick disconnect couplings between handle and tips	Model: TX-504
	Part No.	0386-1293
	Process(es)	Air/MAPP and Propane
	Industrial Applications	High capacity applications
		HVAC
