

COMFORTFLO™ STEAM HEAD

SPECIFICATION SHEET

MODEL: CFSH

Features

Attractive, low profile design.

Unique steam dispersion pattern provides more even heat throughout the steam room and reduces the time required to reach desired room temperature.

Integral Ryton plastic insulator prevents metal exterior from reaching high temperatures and ensures a safe and pleasurable experience.

Fragrance reservoir allows use of aromatherapy oils.

Available in the following finishes:

Polished Chrome, Polished Brass, Polished Nickel, Brushed Nickel, Oil Rubbed Bronze.
