

AE14-5 Series

CLEAN COMFORT™
INDOOR AIR ESSENTIALS

Description

The Clean Comfort AE14 Series of Electronic Air Cleaners for residential applications helps remove a wide range of airborne particles as small as 0.06 micron (1/424,000 of an inch)

- Helps protect and prolong the operating efficiency of the heating and cooling equipment
- Helps reduce unpleasant odors (such as those from cooking, smoking or painting) with the carbon VOC filters supplied with the unit.
- Features a permanent, washable filter system

Standard Features

- Two aluminum mesh pre-filters help prevent lint and large particles from entering the collecting cells
- Heavy-gauge aluminum collecting cells are durable and easy to maintain
- Cell guides ensure proper placement of collecting cells in cabinet
- Activated carbon VOC filters help remove unpleasant odors
- Installer-adjustable voltage output to collecting cells for conditions of extreme dryness, humidity or proximity to hydro towers
- Electronic air-proving switch automatically cycles air cleaner on/off with the system fan
- Power Switch (orange) indicates when the air cleaner is powered
- Performance indicator light (green) indicates when the air cleaner is operating
- Heavy gauge galvanized steel cabinet
- Can be installed in either vertical or horizontal position
- Durable powder coat paint finish on door and top lid resists corrosion

Accessories

DAX Air Cleaner Detergent for prefilters & collecting cells.
32 oz. (1 L) Spray Bottle, Part # AEP-FS9900

Activated Carbon VOC Filters (3 per pack). Replace every 4-6 months.

Efficiency

The table to the right shows results from an independent testing laboratory that measured the particulate removal efficiency of the Clean Comfort™ Electronic Air Cleaner

At rated airflow, the electronic air cleaner achieves a MERV 14 rating. With the fan running on low speed, the air cleaner increases efficiency up to a rating of MERV 16

The static pressure drop of the electronic air cleaner is as low as 0.16" compared to 0.22" or higher for a typical 1" MERV 8 furnace filter
