

San Souci® Comfort Height® Toilet K-5172

Features

- One-piece toilets integrate the tank and bowl into a seamless, easy to clean design.
- Compact elongated bowl offers added comfort while occupying the same space as a round-front bowl.
- Concealed trapway facilitates easy cleaning and enhances design.
- Comfort Height® feature offers chair-height seating that makes sitting down and standing up easier for most adults.
- 1.28 gallons per flush (gpf).
- 2-1/8-inch glazed trapway.
- Standard left-hand Polished Chrome trip lever included.
- Reveal™ Quiet-Close™ seat with Quick-Release™ functionality allows seat to close quietly and quickly unlatch from the toilet for easy removal and convenient cleaning.
- Supply line not included.

Technology

- Single-flush gravity uses the force of gravity and a precision-engineered tank, bowl, and trapway to create a strong siphon during flushing.
- AquaPiston canister allows water to flow into the bowl from all sides (360 degrees), increasing the power and effectiveness of the flush.
- Flush valve's 3: 2 ratio harnesses the natural force of gravity and optimizes flush performance.
- Durable canister design has 90% less exposed seal material than a 3-inch flapper, for leak-free performance.
- Light-touch canister flush requires a lower actuation force than a flapper.

Installation

Standard 12-inch rough-in.

Water Conservation & Rebates

- WaterSense® toilets meet strict EPA flushing guidelines, including using at least 20 percent less water than 1.6-gallon toilets.
- Eligible for consumer rebates in some municipalities.
