

Features

- Combine panels to create a beautiful, functional shower space with easy installation.
- Panel sizes fit standard alcove showers.
- In-field trimmability accommodates custom shower spaces.
- No need to install trim. Factory-installed edge provides a finished look for walls.
- Recommended joint system hides caulk and silicone, leaving fewer places for mold to grow and simplifying cleaning (joints sold separately).
- Coordinates with Choreograph shower accessories and storage (sold separately).

Material

- Serica®, KOHLER's proprietary composite material, offers unparalleled durability, strength, and aesthetic beauty.
- Matte finish complements any decor.
- VeinCut and CrossCut colors are based on the unique and intricate patterns of real stone; variation in the pattern is normal.
- Choreograph walls made from Serica are repairable. KOHLER's ASR network can assist in repairing surface defects, cracks, etc. Customer service can assist in scheduling a repair. Repair kit part number is 1283194-*

Installation

- In-field trimmable.
- Adheres to water-resistant wallboard.
- Recommended corner joints ease installation (sold separately).

Technical Information

All product dimensions are nominal.

Installation: Individual Wall

Notes

Measure your actual product for rough-in details.

Install this product according to the installation instructions.

Use non-solvent based construction adhesive. For installation over tile, use 100% silicone sealant.

Corner joints (optional) allow for 3/8" (10 mm) adjustment for out-of-plumb conditions or uneven cuts.

If installing accessories, install 2x4 backing for handrails, shelves, and shower hooks and 2x10 backing for the flip down seat.
