

NORTHERN PLUMBING SUPPLY

SILA-SEAL EZ RTV SILICONE SEALANT

PART#: 1260-400

PRODUCT DESCRIPTION: CLEAR

Sila-Seal EZ RTV Silicone is a high quality 100% silicone sealant that is dispensed directly from the can. It is perfect for exterior and interior sealing and caulking. It bonds to ceramics, glass, marble, metal, non-oily woods, painted surfaces, some plastics, porcelain, rubber, and tile. Bonds and seals to water and weather proof surfaces. Conventional paints will not adhere; paint first, then seal. Perfect for commercial construction, HVAC, industrial, plumbing, refrigeration, and residential use. Can withstand temperatures up to 400°F. This product comes in a case of 6, 8 fluid ounce cans.
